When I look into your eyes  
There's nothing there to see  
Nothing but my own mistakes  
Staring back at me

I've lied to you  
This is the last smile  
That I'll fake for the sake  
Of being with you

Everything falls apart  
Even the people who never frown  
Eventually break down

Everything has to end  
You'll soon find  
We're out of time left  
To watch it all unwind  
(The sake of being with you)

Everything falls apart  
Even the people who never frown  
Eventually break down

The sacrifice is never knowing

Why I stay  
When you just push away  
No matter what you see  
You're still so blind to me

I've tried like you to do  
Everything you wanted to  
This is the last time, I'll take the blame  
For the sake of being with you

Everything falls apart  
Even the people who never frown  
Eventually break down

The sacrifice of hiding in a lie

Everything has to end  
You'll soon find  
We're out of time left  
To watch it all unwind

The sacrifice is never knowing

Why I stay  
When you just push away  
No matter what you see  
You're still so blind to me

Reverse psychology  
Is failing miserably  
It's so hard to be  
Left all alone

Telling you is the  
Only chance for me  
There's nothing left  
But to turn and face you

When I look into your eyes  
There's nothing there to see  
Nothing but my own mistakes  
Staring back at me, asking

Why the sacrifice of hiding in a lie  
The sacrifice is never knowing

Why I stay  
When you just push away  
No matter what you see  
You're still so blind to me

Why I stay  
When you just push away  
No matter what you see  
You're still so blind to me
