When I look into your eyes there's nothing there to see  
Nothing but my own mistakes staring back at me

[BACKWARDS]

Everything has to end  
You'll soon find that we're out of time left to watch it all  
unwind  
Everything falls apart  
Even the people who never frown eventually break  
down  
Everything has to end  
You'll soon find we're out of time left to watch in all  
unwind  
Everything falls apart  
Even the people who never frown eventually break  
down[]

I've lied to you  
This is the last smile that I'll fake for the sake of being  
with you  
Everything falls apart even  
Even the people who never frown eventually break  
down  
Everything has to end  
You'll soon find we're out of time left to watch it all  
unwind  
Find the sake of being with you  
Everything falls apart  
Even the people who never frown eventually break  
down  
The sacrifice is never knowing

Why I stay when you  
Just push away  
No matter what you see  
You're still so blind to me

[BACKWARDS]

Even the people who never frown eventually break  
down[]

I've tried, like you, to do everything you wanted to  
This is the last time  
That I'll take the blame for the sake of being with you  
Everything falls apart  
Even the people who never frown eventually break  
down  
The sacrifice of hiding in a lie  
Everything has to end  
You'll soon find we're out of time left to watch it all  
unwind  
The sacrifice is never knowing

Why I stay when you  
Just push away  
No matter what you see  
You're still so blind to me

Reverse psychology is failing miserably  
It's so hard to be left all alone  
Telling you is the only chance for me  
There is nothing left but to turn and face you

When I look into your eyes there's nothing there to see  
Nothing but my own mistakes staring back at me  
Asking why  
The sacrifice of hiding in a lie  
The sacrifice is never knowing

Why I stay when you  
Just push away  
No matter what you see  
You're still so blind to me

Why I stay when you  
Just push away  
No matter what you see  
You're still so blind to me
