When I look into your eyes
There's nothing there to see
Nothing but my own mistakes
Staring back at me

I've lied to you
This is the last smile
That I'll fake for the sake
Of being with you

Everything falls apart
Even the people who never frown
Eventually break down

Everything has to end
You'll soon find
We're out of time left
To watch it all unwind
(The sake of being with you)

Everything falls apart
Even the people who never frown
Eventually break down

The sacrifice is never knowing

Why I stay
When you just push away
No matter what you see
You're still so blind to me

I've tried like you to do
Everything you wanted to
This is the last time, I'll take the blame
For the sake of being with you

Everything falls apart
Even the people who never frown
Eventually break down

The sacrifice of hiding in a lie

Everything has to end
You'll soon find
We're out of time left
To watch it all unwind

The sacrifice is never knowing

Why I stay
When you just push away
No matter what you see
You're still so blind to me

Reverse psychology
Is failing miserably
It's so hard to be
Left all alone

Telling you is the
Only chance for me
There's nothing left
But to turn and face you

When I look into your eyes
There's nothing there to see
Nothing but my own mistakes
Staring back at me, asking

Why the sacrifice of hiding in a lie
The sacrifice is never knowing

Why I stay
When you just push away
No matter what you see
You're still so blind to me

Why I stay
When you just push away
No matter what you see
You're still so blind to me
