A-one, a-two, a-one, two, three, four  
Uh, this song's about jellyfish  
And their bellyfish  
Ain't no foolyfish  
I don't droolyfish  
Goes like this:

Jelly, jelly, jellyfish  
When you squeeze me, I go squish  
Peanut butter jellyfish  
Put me onto your sandwich

Said jelly, jelly, jellyfish  
When you squeeze me, I go squish  
'Cause I'm a jellyfish  
I'm a jellyfish

My friends are fish and they go to school

They think I'm crazy and they think I'm cool  
'Cause I'm a jellyfish  
I'm a jellyfish

Jelly, jelly, jellyfish  
When you squeeze me, I go squish  
'Cause I'm a jellyfish  
I'm a jellyfish

Got no eyes, I got no head  
I've got no house, I got no bed  
'Cause I'm a jellyfish  
I'm a jellyfish  
Jellyfish
