(Uh)

This song's about jellyfish
And their barely fish
Ain't no fooly-fish
I don't drooly-fish
Goes like this

Jelly, jelly, jellyfish
When you squeeze me I go squish
Peanut butter jellyfish
Put me on-a your sandwich

The jelly, jelly jellyfish
When you squeeze me I go squish
'Cause I'm a jellyfish
I'm a jellyfish

My friends are fish and they go to school
They think I'm crazy and they think I'm cool
'Cause I'm a jellyfish
I'm a jellyfish

Jelly, jelly jellyfish
When you squeeze me I go squish
'Cause I'm a jellyfish
I'm a jellyfish

Got no eyes and I got no head
I got no house and I got no bed
'Cause I'm a jellyfish
I'm a jellyfish
Jellyfish
