I wanna be in another place
I hate when you say you don't understand
I wanna be in the energy
Not with the enemy
A place for my head...

I watch how the moon sits in the sky in the dark night
Shining with the light from the sun
But sun doesn't give light to the moon assuming
The moon's going to owe it one
It makes me think of how you act to me you do
Favors and then rapidly you just
Turn around and start asking me about
Things you want back from me
I'm sick of the tension
Sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed
While I find a place to rest

I want to be in another place
I hate when you say you don't understand
(You'll see it's not meant to be)
I want to be in the energy, not with the enemy
A place for my head

Maybe someday I'll be just like you and
Step on people like you do
And run away all the people I thought I knew
I remember back then who you were
You used to be calm used to be strong
Used to be generous but you should've known that
you'd
Wear out your welcome now you see
How quiet it is all alone I'm so
Sick of the tension sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed
While I find a place to rest I'm so
Sick of the tension sick of the hunger
Sick of you acting like I owe you this

Find another place to feed your greed
While I find a place to rest

I want to be in another place
I hate when you say you don't understand
(You'll see it's not meant to be)
I want to be in the energy, not with the enemy
A place for my head

We're all gonna be crushed when it all apart
Ruin another high low
Hoping that you won't know the strain it puts to me
See what you've done, and consequently
I've run away, just hidden again
Within the boundaries of the nameless
Don't mean to say this, but your dragging me
down
Lost in the chaos, being tossed around
Singing within to myself
Head full of hectic
Hope that someday I'll regret this
Everything's the wrong place, the wrong time
Addict to the panic, in my confines
Singing within to myself
Head full of hectic
Hope that someday I'll regret this
Everything's the wrong place, the wrong time
Addict to the panic, in my confines

I wanna live in another place
Where no one can say that I live for them
(You'll see it's not meant to be for me)
I wanna be in the energy, not with the enemy
A place for my head

I wanna, I wanna, I wanna...

Two, Two, Three, Three, Yo, Yo, Yo
Keep me in the john to keep me calm
You and your mom keep on dram
Used to be a team, passed that baton
But you flopped that bomb when you dropped that
bomb
Take it the john your Babylon
Flush down with the sound that you carry on
I don't really give a damn
You pissed on my lawn
Took a dump like a punk
Now the battle's on
So sick of you stressing
Sick of you fessing

Sick of you acting like I owe you some
Find another place to feed your face
If you don't we gonna bump get it up get crunk
Sick of you stressing
Sick of you fessing
Sick of you acting like I owe you some
Find another place to feed your face
If you don't we gonna bump get it up get crunk

Riding'â,,ç with a head full of bodies of red
And when I said its still stuck in my head, but mislead
Thinking the things I do would make you never wanna
come back
Running'â,,ç on thumb tacks, you could never run
from that
Being trapped in this view, something that I never
wanted to do
Went through all you'â,,çve got to see, to where I
want to be
Is over the pen again, letting it out of me
In the center of the day in the dream
Seeing all my thoughts getting lost in between
Realize want not the weight of the scene
From the killing of the killer, with a head full of screams

I wanna live in another place
Where no one can say that I live for them
(You'â,,çll see it'â,,çs not meant to be for me)
I wanna be in the energy, not with the enemy
A place for my head

You try to take the best of me
Go away
You try to take the best of me
Go away
You try to take the best of me
Go away
You try to take the best of me
GO AWAY

You try to take the best of me
You try to take the best of me
Go away
You try to take the best of me
You try to take the best of me
GO...

YOU TRY TO TAKE THE BEST OF ME
GO AWAY
YOU TRY TO TAKE THE BEST OF ME
GO AWAY

YOU TRY TO TAKE THE BEST OF ME
GO AWAY
YOU TRY TO TAKE THE BEST OF ME
GO AWAY

I want to be in another place
I hate when you say you don't understand
(You'll see it's not meant to be)
I want to be in the energy, not with the enemy
A place for my head
