I watch how the moon sits in the sky  
On a dark night shining with the light from the sun  
The sun doesn't give light to the moon  
Assuming the moon's going to owe it one  
It makes me think of how you act to me  
You do favors and then rapidly  
You just turn around and start asking me about  
Things you want back from me

I'm sick of the tension, sick of the hunger  
Sick of you acting like I owe you this  
Find another place to feed your greed  
While I find a place to rest

I want to be in another place  
I hate when you say you don't understand  
(You'll see it's not meant to be)  
I want to be in the energy, not with the enemy  
A place for my head  
Maybe someday I'll be just like you, and  
Step on people like you do and  
Run away the people I thought I knew  
I remember back then who you were  
You used to be calm, used to be strong  
Used to be generous, but you should've known  
That you'd wear out your welcome  
Now you see how quiet it is, all alone

I'm sick of the tension, sick of the hunger  
Sick of you acting like I owe you this  
Find another place to feed your greed  
While I find a place to rest

I'm sick of the tension, sick of the hunger  
Sick of you acting like I owe you this  
Find another place to feed your greed  
While I find a place to rest

I want to be in another place  
I hate when you say you don't understand  
(You'll see it's not meant to be)  
I want to be in the energy, not with the enemy

A place for my head

You try to take the best of me  
Go away

You try to take the best of me  
Go away

You try to take the best of me  
Go away

You try to take the best of me  
Go away

You try to take the best of me  
Go away

You try to take the best of me  
Go away

You try to take the best of me  
Go away

You try to take the best of me  
Go away

I want to be in another place  
I hate when you say you don't understand  
(You'll see it's not meant to be)  
I want to be in the energy, not with the enemy  
A place for my head

I'm sick of the tension, sick of the hunger  
Sick of you acting like I owe you this  
Find another place to feed your greed  
While I find a place to rest

I'm sick of the tension, sick of the hunger  
Sick of you acting like I owe you this  
Find another place to feed your greed  
While I find a place to rest
