I wanna be in another place
I hate when you say you don't understand
I wanna be in the energy
Not with the enemy
A place for my head

I watch how the moon
Sits in the sky on a dark night
Shining with the light from the sun
The sun doesn't give the light to the moon
Assuming the moon's gonna owe it one
It makes me think of how you act to me
You do favors then rapidly
You just turn around and start asking me
About things that you want back from me

I'm sick of the tension
Sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed
While I find a place to rest

I'm sick of the tension
Sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed
While I find a place to rest.

I wanna be in another place
I hate when you say you don't understand
(You'll see it's not meant to be)
I wanna be in the energy
Not with the enemy
A place for my head

I wanna be in another place
I hate when you say you don't understand
(You'll see it's not meant to be)
I wanna be in the energy
Not with the enemy
A place for my head

I wanna.....(fades out)

Two, Two, Three, Three, Yo, Yo, Yo
Keep me in the john to keep me calm
You and your mom keep on dram
Used to be a team, passed that baton
But you flopped that bomb when you dropped that
bomb
Take it the john your Babylon
Flush down with the sound that you carry on
I don't really give a damn
You pissed on my lawn
Took a dump like a punk
Now the battle's on
So sick of you stressing
Sick of you fessing
Sick of you acting like I owe you some
Find another place to feed your face
If you don't we gonna bump get it up get crunk
Sick of you stressing
Sick of you fessing
Sick of you acting like I owe you some
Find another place to feed your face
If you don't we gonna bump get it up get crunk

I wanna be in another place
I hate when you say you don't understand
(You'll see it's not meant to be)
I wanna be in the energy
Not with the enemy
A place for my head

I wanna be in another place
I hate when you say you don't understand
You'll see it's not meant to be
I wanna be in the energy
Not with the enemy
A place for my head

You try to take the best of me, go away! (repeat until
end)
