I want to be in another place  
I hate when you say you don't understand  
I want to be in the energy, not with the enemy  
A place for my head

I watch how the moon sits in the sky on a dark night  
Shining with the light from the sun  
But the sun doesn't give light to the moon  
Assuming the moon's going to owe it one

It makes me think of how you act to me  
You do favors, then rapidly  
You just turn around and start asking me  
About things that you want back from me

I'm sick of the tension, sick of the hunger  
Sick of you acting like I owe you this  
Find another place to feed your greed  
While I find a place to rest

I'm sick of the tension, sick of the hunger  
Sick of you acting like I owe you this  
Find another place to feed your greed  
While I find a place to rest

I want to be in another place  
I hate when you say you don't understand  
(You'll see it's not meant to be)  
I want to be in the energy, not with the enemy  
A place for my head

I want to be in another place  
I hate when you say you don't understand  
(You'll see it's not meant to be)  
I want to be in the energy, not with the enemy  
A place for my head

Two, two, three, three, yo, yo, yo  
Give me Energon to keep me calm  
You and your mom, keep all the dram  
Used to be a team, passed that baton  
But you flop that bomb as you drop that bomb

Take it to the John in your Babylon  
Flushed down with the sound that you carry on  
I don't really give a dang, you pissed on my  
lawn  
Took a dump like a punk, now the battles on

So sick of you stressing, sick of you fessing  
Sick of you acting like I owe you some  
Find another place to feed your face  
If you don't, we gon' bump, get it up  
here, crunk

So sick of you stressing, sick of you fessing  
Sick of you acting like I owe you some  
Find another place to feed your face  
If you don't, we gon' bump, get it up  
here, crunk

I want to be in another place  
I hate when you say you don't understand  
(You'll see it's not meant to be)  
I want to be in the energy, not with the enemy  
A place for my head

I want to be in another place  
I hate when you say you don't understand  
(You'll see it's not meant to be)  
I want to be in the energy, not with the enemy  
A place for my head

You try to take the best of me  
You try to take the best of me, go away  
You try to take the best of me  
You try to take the best of me, go away

You try to take the best of me  
You try to take the best of me  
You try to take the best of me  
You try to take the, go

Go away, you try to take the best of me, go away  
You try to take the best of me, go away  
You try to take the best of me, go away  
You try to take the best of me, go away

You try to take the best of me, go away  
You try to take the best of me, go away  
You try to take the best of me, go away  
(Get away from me)

You try to take the best of me, go away  
You try to take the best of me, go away  
You try to take the best of me, go away  
You try to take the best of me, get away from me

[Incomprehensible]
