I want to be in another place
I hate when you say you dont understand
I want to be in the energy
Not with the enemy
A place for my head

I watch how the moon sits in the sky on a dark night
Shining with the light from the sun
But the sun doesnt give the light to the moon assuming
the moons going to owe it one
It makes me think of how you act to me
You do favours then rapidly
You just turn around and start asking me about things
that you want back from me

Im so sick of the tension
Sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed
While I find a place to rest
Im so sick of the tension
Sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed
While I find a place to rest

I want to be in another place
I hate when you say you dont understand
Youll see its not meant to be
I want to be in the energy
Not with the enemy
A place for my head

I want to be in another place
I hate when you say you dont understand
Youll see its not meant to be
I want to be in the energy
Not with the enemy
A place for my head

Two, two, three, three

Yo, yo, yo
Give me Energon to keep me calm
You and your mom keep all the dram
Used to be a team, passed that baton
But you flop that bomb as you drop that bomb
Take it to the john in your babylon
Flushed down with the sound that you carry on
I dont really give a dang
You p****d on my lawn
Took a dump like a punk
Now the battles on

So sick of you stressing
Sick of you fessing
Sick of you acting like I owe you some
Find another place
To feed your face
If you dont, we gon bump
Get it up here, crunk
So sick of you stressing
Sick of you fessing
Sick of you acting like I owe you some
Find another place to feed your face
If you dont, we gon bump
Get it up here, crunk

I want to be in another place
I hate when you say you dont understand
Youll see its not meant to be
I want to be in the energy
Not with the enemy
A place for my head

I want to be in another place
I hate when you say you dont understand
Youll see its not meant to be
I want to be in the energy
Not with the enemy
A place for my head

You try to take the best of me
You try to take the best of me, go away
You try to take the best of me
You try to take the best of me, go away
You try to take the best of me
You try to take the best
Go, go away
You try to take the best of me, go away
You try to take the best of me, go away
You try to take the best of me, go away
You try to take the best of me, go away

You try to take the best of me, go away
You try to take the best of me, go away
You try to take the best of me, go away
You try to take the best of me (get away from me), go
away
You try to take the best of me, go away You try to take
the best of me, go away Get away from me
