Forfeit the game, stop the talk show
Product of what you're taught to know
Forfeit the game 'cause tomorrow
When it's all done, you reap what you sow

You love the way I look at you
While taking pleasure in the awful things you put me
through
You take away if I give in my life
My pride is broken

You love to think you're never wrong
(You live what you learn)
You have to act like you're someone
(You live what you learn)

You want someone to hurt like you
(You live what you learn)
You want to share what you've been through
(You live what you learn, learn, learn, learn)

You love the things I say I'll do
The way I'll hurt myself again just to get back at you
You take away when I give in my life
My pride is broken

You love to think you're never wrong
(You live what you learn)
You have to act like you're someone
(You live what you learn)

You want someone to hurt like you
(You live what you learn)
You want to share what you've been through
(Yo, you live what you learn, learn, learn, learn)
