Why does it feel like night today?
Something in here's not right today
Why am I so uptight today?
Paranoia's all I got left
I don't know what stressed me first
Or how the pressure was fed / but
but I know just what it feels like
To have a voice in the back of my head it's like a face
that I hold inside
face that awakes when I close my eyes
face that I watches every time I lie
face that laughs every time I fall
(and watches everything)
So I know that when it's time to sink or swim
That the face inside is hearing me / right underneath
my skin
It's like I'm / paranoid lookin' over my back
It's like a / whirlwind inside of my head
It's like I / can't stop what I'm hearing within
It's like the face inside is right beneath my skin

hey yo
here we go again with the pain I feel that isn't real. But
in my mind
when I find myself in places with names but not faces
my memory races at speeds
hundred degrees
my soul it bleeds
devil must've planted the seed
now it feels like my backs against the wall, I'm takin the
fall
whenever I call nobody's responding at all
but I don't know who I can trust, they screaming my
name
I need somebody to help me out of the flame

all I'm trying to do is just master me
all I wanna do is smoke a blasta beat
but something keeps talking to me consciously,
responsibly
it keeps haunting me

from dusk til dawn everyday has something for ya
that voice inside of ya head has got you projecting
paranoia.
Cold sweat, shining on your face exposing your
purpose
and if I, fucked you bitch off your skin I'd probably find
a, 'nother verse
There's nothing thing worse than trying to bring
yourself up back from the dead
so I advise you listen to that voice in the back of you
head

It's like I'm / paranoid lookin' over my back
It's like a / whirlwind inside of my head
It's like I / can't stop what I'm hearing within
It's like the face inside is right beneath my skin
It's like I'm / paranoid lookin' over my back
It's like a / whirlwind inside of my head
It's like I / can't stop what I'm hearing within
It's like the face inside is right beneath my skin
(the face inside is right beneath your skin x4)

the sun goes down
I feel the light betray me
the sun goes down

its like I'm paranoid
I feel the light betray me
the sun
(It's like I'm paranoid lookin' over my back
It's like a whirlwind inside of my head
It's like I can't stop what I'm hearing within
It's like the face inside is right beneath my skin)

It's like I'm / paranoid lookin' over my back
It's like a / whirlwind inside of my head
It's like I / can't stop what I'm hearing within
It's like the face inside is right beneath

It's like I'm / paranoid lookin' over my back
It's like a / whirlwind inside of my head
It's like I / can't stop what I'm hearing within
It's like the face inside is right beneath my skin
