"Pretend To Be"

You say what you thought of me
Ohhhohhhohoh
And you take something out of me
So predictable
Why do I have to see this through?
Why do I have to take this?
Isn't there something I can do
To make myself finally say this

No
You've taken this too far
Exposing who you are
For all to see,
You're not the one that you pretend to be

You start with apologies
Ohhhohhhohoh
Then take another shot at me
So pretendable
Why do I have to see this through?
Why do I have to take this?
Isn't there something I can do
To make myself finally say this?

No
You've taken this too far
Exposing who you are
For all to see,
You're not the one that you pretend this

No
You've taken this too far
Exposing who you are
For all to see,
You're not the one that you pretend to be

Oh oh oh ah ah oh
Oh oh oh ah ah oh
Oh oh oh ah ah oh
Oh oh oh ah ah oh
Oh oh oh ah ah oh

Oh oh oh ah ah oh
Oh oh oh ah ah oh

No
You've taken this too far
Exposing who you are
For all to see,
You're not the one that you pretend this
No
You've taken this too far
Exposing who you are
For all to see,
You're not the one that you pretend to be
