Yo, yo, forfeit the game, before somebody else
Takes you out of the frame, puts your name to shame
Cover up your face, you can't run the race
The pace is too fast, you just won't last

You love the way I look at you
While taking pleasure in the awful things you put me
through
You take away if I give in, my life, my pride is broken

You like to think you're never wrong
(You like to think you're never wrong)
You have to act like you're someone
(You have to act like you're someone)

You want someone to hurt like you
(You want someone to hurt like you)
You wanna share what you've been through
(To live what you've learned)

You love the things I say I'll do
The way I'll hurt myself again just to get back at you
You take away when I give in, my life, my pride is
broken

You like to think you're never wrong
(You like to think you're never wrong)
You have to act like you're someone
(You have to act like you're someone)

You want someone to hurt like you
(You want someone to hurt like you)
You wanna share what you've been through
(To live what you've learned)
