**(feat. Jay Gordon of Orgy)**

Yo, yo  
Forfeit the game  
Before somebody else  
Takes you out of the frame  
Puts your name to shame  
Cover up your face  
You can't run the race  
The pace is too fast  
You just won't last

You love the way I look at you  
While taking pleasure in the awful things you put me  
through  
You take away if I give in  
My life, my pride is broken

You like to think you're never wrong  
(You like to think you're never wrong)  
You have to act like you're someone  
(You have to act like you're someone)  
You want someone to hurt like you  
(You want someone to hurt like you)  
You want to share what you've been through  
(You live what you've learned)

You love the things I say I'll do  
The way I'll hurt myself again just to get back at you  
You take away when I give in  
My life, my pride is broken

You like to think you're never wrong  
(You like to think you're never wrong)  
You have to act like you're someone  
(You have to act like you're someone)  
You want someone to hurt like you  
(You want someone to hurt like you)

You want to share what you've been through  
You live what you've learned

Yo, yo  
Forfeit the game  
Before somebody else  
Takes you out of the frame  
Puts your name to shame  
Cover up your face  
You can't run the race  
The pace is too fast  
You just won't last

Forfeit the game  
Before somebody else  
Takes you out of the frame (frame)  
Puts your name to shame  
Cover up your face  
(You) You can't run the race  
The pace is too fast  
You just won't last

You like to think you're never wrong  
(You like to think you're never wrong)  
You have to act like you're someone  
(You have to act like you're someone)  
You want someone to hurt like you  
(You want someone to hurt like you)  
You want to share what you've been through  
You like to think you're never wrong  
(You like to think you're never wrong)  
You have to act like you're someone  
(You have to act like you're someone)  
You want someone to hurt like you  
(You want someone to hurt like you)  
You want to share what you've been through  
You live what you've learned
