I've lied to you
The same way that I always do
This is the last smile
That I'll fake for the sake of being with you

Everything falls apart
Even the people who never frown
Eventually break down
The sacrifice of hiding in a lie

Everything has to end
You'll soon find we're out of time left
To watch it all unwind
The sacrifice is never knowing

Why I never walked away
Why I played myself this way
Now I see you're testing me
Pushes me away

Why I never walked away
Why I played myself this way
Now I see you're testing me
Pushes me away

I've tried like you
To do everything you wanted too
This is the last time
I'll take the blame for the sake of being with you

Everything falls apart
Even the people who never frown
Eventually break down
The sacrifice of hiding in a lie

Everything has to end
You'll soon find we're out of time left
To watch it all unwind
The sacrifice is never knowing

Why I never walked away
Why I played myself this way

Now I see you're testing me
Pushes me away

Why I never walked away
Why I played myself this way
Now I see you're testing me
Pushes me away

We're all out of time
This is how we find how it all unwinds
The sacrifice of hiding in a lie

We're all out of time
This is how we find how it all unwinds
The sacrifice is never knowing

Why I never walked away
Why I played myself this way
Now I see you're testing me
Pushes me away

Why I never walked away
Why I played myself this way
Now I see you're testing me
Pushes me away
Pushes me away
