Gra-  
Graffiti sky

I dont think y'all ready  
Yo, I dont think y'all ready

Graffiti decorations  
Under a sky of grey  
This constant apprehension  
Still giving me away  
The lessons I've forgotten  
In spite of all I've learned  
Now, I find myself in question  
Point, point the finger at me again  
Guilty by association  
Point, point the finger at me again

I wanna runaway (I wanna runaway)  
I want to know the truth (I want to know the truth)  
I want to know the answers (I want to know the answers)  
I want to shut the door  
And open up my mind (And open up my mind)  
And open up my mind (And open up my mind)

Paperbags and angry voices  
Under a sky of grey  
This constant apprehension  
Wont seem to go away  
All my talk of starting over  
These words were never true  
Now I find myself in question  
Point, point the finger at me again  
Guilty by association  
Point, point the finger at me again

I wanna runaway (I wanna runaway)  
I want to know the truth (I want to know the truth)  
I want to know the answers (I want to know the answers)  
I want to shut the door  
And open up my mind (And open up my mind)  
And open up my mind

Gunna runaway  
Gunna runaway (way)  
Gunna runaway  
Gunna runaway (way, way)  
Gunna runaway

Uh, ya'll not ready  
Hey, yo

I don't think y'all ready for what I'm about to do  
All you new-skool dudes ain't even got no clue  
How dare you forget about Bam and Zue Lue  
Cool Herc and Jazzy Pha.  
They paved the way  
Let me spit it for y'all who said I wasn't going to make it  
Every time I blaze it, y'all the first to hate it  
My team reigns supreme to stay strong  
Got the true series, son  
They scared to put us on  
Can't get with hybrids  
Get off your hiatus  
To many others dying for it  
So, I got to blaze it  
Still ripping BK, Brooklyn, B and on  
Hell-fighting family, alienation  
Banging into in the backyard while LP's on  
I'm a little commune named  
Phoenix Orion

I want to runaway (I want to runaway)  
I want to know the truth (I want to know the truth)  
I want to know the answers (I want to know the answers)  
I want to shut the door  
And open up my mind (and open up my mind)  
And open up my mind
