(feat. Backyard Bangers, Phoenix Orion)

Gra

Graffiti sky

I don't think you're all ready

Yo, I don't think you're all ready

Graffiti decorations

Under a sky of grey

This constant apprehension

Still giving me away

The lessons I've forgotten

In spite of all I've learned

Now, I find myself in question

Point the finger at me again

Guilty by association

Point the finger at me again

I want to runaway (I want to runaway)

I want to know the truth (I want to know the truth)

I want to know the answers (I want to know the answers)

I want to shut the door

And open up my mind

And open up my mind

And open up my mind

Paperbags and angry voices

Under a sky of grey

This constant apprehension

Wont seem to go away

All my talk of starting over

These words were never true

Now, I find myself in question

Point the finger at me again

Guilty by association

Point the finger at me again

I want to run away (I want to runaway)

I want to know the truth (I want to know the truth)

I want to know the answers (I want to know the answers)

I want to shut the door

And open up my mind

And open up my mind
And open up my mind

Going to runaway
Going to runaway (way)
Going to runaway
Going to runaway (way, way)
Going to runaway

Hey, yall not ready
Hey, yo

I don't think yall ready for what Im about to do
All you new-skool dudes aint even got no clue
How dare you forget about Bam and Zue Lue
Cool Herc and Jazzy J.
They paved the way
Let me spit it for yall who said I wasn't going to make it
Every time I blaze it, yall the first to hate it
My team reigns supreme to stay strong
Got the true series, son
They scared to put us on
Cant get with hybrids
Get off your hiainis
To many artist ding for us
So i got to blaze it
Still reping d.k. broklin bein on
H*** fightin family and the nation
Banging into the background of the lp song
I'm the lutus one named phoenix orion

I want to run away (I want to runaway)
I want to know the truth (I want to know the truth)
I want to know the answers (I want to know the answers)
I want to shut the door
And open up my mind
And open up my mind
And open up my mind
