She shines like a flower
In my head
Everybody,
Wants to pick her head

(Chorus)
She said she loved me
And lied to me
She was by the river
And lied to me

She shines like a flower
In my head
Everybody,
Wants her in their bed

(Chorus)
She said she loved you
And lied to you
She was by the river
And lied to you

So eager
So eager
So eager

(Chorus)

So eager 7x

So eager 3x

(Chorus)

So eager 6x
