Who can rock a rhyme like this?(like this)  
Bring it to you every time like this?(like this)  
Who can rock a rhyme like this?(like this)  
Step, step up, step, step up

Here we go

Who can rock a rhyme like this?(like this)  
Bring it to you every time like this?(like this)  
Who can rock a rhyme like this?(like this)  
Step, step up, step, step up

Keep it up

Who can rock a rhyme like this?(like this)  
Bring it to you every time like this?(like this)  
Who can rock a rhyme like this?(like this)  
Step, step up, step, step up

Watch as the room rocks  
Men only moonwalk  
Mixed media slang  
Banging in your boom box  
Verbal violence  
Lyrical stylist  
In a time when rock hip hop rhymes are childish  
You can't tempt me with rhymes that are empty  
Rapping to a beat doesn't make you an MC  
With your lack of skill and facility  
You're killing me  
And a DJ in the group just for credibility  
I heard that some of you are getting help with your rhymes  
You're not an MC if someone else writes your lines  
And rapping over rock doesn't make you a pioneer  
Cause rock and hip hop have collaborated for years  
But now they're getting randomly mixed and matched up  
All after a fast buck and all the tracks suck  
So how does it stack up?  
None of it's real

You want to be an MC?  
Then help us out y'all come on

Who can rock a rhyme like this?(like this)  
Bring it to you every time like this?(like this)  
Who can rock a rhyme like this?(like this)  
Step, step up, step, step up

C'mon

Who can rock a rhyme like this?(like this)  
Bring it to you every time like this?(like this)  
Who can rock a rhyme like this?(like this)  
Step, step up, step, step up

Mr Hanh

Check this out

Yo, peep the style and the kids checking for it  
The number one question is how could you ignore it  
LP back in the cut over basement tracks  
With raps that got you backing this up like  
Rewind that we're just rolling with the rhythm  
Rise from the ashes of stylistic division  
With these non-stop lyrics of life living  
Not to be forgotten but still unforgiven  
But in the meantime there are those who wanna talk  
this and that  
So I suppose it gets to a point where feelings gotta get  
hurt  
And get dirty with the people spreading the dirt

Chester:

Tried to give you warning but everyone ignores me  
Told you everything loud and clear  
But (nobody's listening)  
S'right  
Called to you so clearly but you don't want to hear me  
Told you everything loud and clear  
But nobody's listening

This song is called it's goin' down  
You ready?  
Help me out y'all

When i say it's goin', you say down  
It's goin' (down)  
It's goin' (down)  
When i say it's goin', you say down

It's goin' (down)  
It's goin' (down)  
When i say it's goin', you say down  
It's goin' (down)  
It's goin' (down)  
When i say it's goin', everybody down  
It's goin' (down)  
Check it out, it's goin' down

The rhythm projects 'round the next sound  
Reflects the complex hybrid dialect now  
Detects the mesh of many elements compressed down  
The melting pot of a super-futuresque style  
The combination of vocal caress  
With lungs the gasp for breath  
From emotional stress  
With special effects  
And a distorted collage  
Carefully lodged between beats of rhythmic barrage

It's going down  
The logical progression on the timeline  
The seperation narrowed down to a fine line  
To blur the edges so they blend together properly  
Take you on an audible odyssey  
Now it's going down  
A logical progression on the timeline  
The seperation narrowed down to a fine line

That's right

It's goin down  
Out for the world to see  
LP and X-Men to the 10th degree (It's goin down)  
Nobody in the world is safe  
When we melt down the wax in your record crate (It's  
going down)

Out for the world to see  
LP and X-Men to the 10th degree (It's goin down)  
Nobody in the world is safe

Take you on an audible odyssey  
Now it's going down  
A logical progression on the timeline  
The seperation narrowed down to a fine line

We do it like this  
Mr Hahn

Make some noise
