This is how it's done going for the title and crown  
Where now MC's surround as the beat breaks down  
In 2 elements clobbin' up those that have been blessed  
And as the M-I see the way it ought to be ponessed  
Yes, yes am I the one to keep you on your toes  
Definitely in my b-boy pose, they let your \_\_ like twist  
Touch your chin to your chest to the rhythm like this

Now see what I have, I want you  
Be with me or Stick n' Move  
Now see what I had, I want you  
Be with me or Stick n' Move

MC's dogging me since the first day I grabbed the mic  
Now it's like Sit, Stay  
Cobra path lifestyles I'm kickin'  
Stickin' MC's real quick 'cause times tickin'  
At the drop of the defense, I let loose the venom  
Sendin', I try to verbal heat up rhythm  
The ending will come, grab your family and run  
Apocalyptic rhyme pattern taking shots from the sun  
Record in the world, four-thousand-eighty-one  
Question my intentions and your whole world is done  
Like wars to Rome, turn your eyeballs into Saturn  
Full metal jacket fully auto rhyme pattern

Now see what I have, I want you  
Be with me or Stick n' Move  
Now see what I had, I want you  
Be with me or Stick n' Move

Stick it, rock it for a click and a whicker  
Move it, moving all the tunes and you groove it  
Stick it, rock it for a click and a whicker  
Move it, moving all the tunes and you groove it  
Stick it, rock it for a click and a whicker  
Move it, moving all the tunes and you groove it  
Stick it, rock it for a click and a whicker  
Move it, moving all the tunes and you groove it

Now see what I have, I want you  
Be with me or Stick n' Move

Now see what I had, I want you  
Be with me or Stick n' Move
