[verse 1]

(when this began)
I had nothing to say
And I'd get lost in the nothingness inside of me
(I was confused)
And I let it all out to find that I'm
Not the only person wit these things in mind
(Inside of me)
But all the vacancy the words revealed
Is the only real thing that I've got left to feel
(Nothing to lose)
Just stuckhollow and alone
And the fault is my own
And the fault is my own

[Chorus]

I want to heal
I want to feel
What I thought was never real
I want to let go of the pain I've held so long
(Erase all the pain 'til it's gone)
I want to heal
I want to feel
Like I'm close to something real
I want to find something i've wanted all along
Somewhere I belong

And I've got nothing to say
I can't believe I didn't fall right down on my face
(I was confused)
Looking everywhereonly to find that it's
Not the way I had imagined it all in my mind
(So what am I)
What do I have but negativity
'Cause I can't justify the
Way everyone is looking at me
(Nothing to lose)
Nothing to gainhollow and alone
And the fault is my own

The fault is my own

[repeat chorus]

[Verse 3] (Chester)

I will never know
Myself until I do this on my own
And I will never feel
Anything else until my wounds are healed
I will never be
Anything 'til I break away from me
And I will break away
I'll find myself today

[repeat chorus]

I want to heal
I want to feel like I'm
Somewhere I belong
