God bless us everyone
We're a broken people living under loaded gun
And it can't be out fought, it can't be outdone
It can't outmatched, it can't be outrun, no

God bless us everyone
We're a broken people living under loaded gun
And it can't be out fought, it can't be outdone
It can't outmatched, it can't be outrun, no

And when I close my eyes tonight
To symphonies of blinding light
God bless everyone
We're a broken people living under loaded gun

Like memories in cold decay
Transmissions echoing away
Far from the world of you and I
Where oceans bleed into the sky

God save us everyone
When we burn inside the fires of a thousand suns
For the sins of our hand, the sins of our tongue
The sins of our father, the sins of our young, no

God save us everyone
When we burn inside the fires of a thousand suns
For the sins of our hand, the sins of our tongue
The sins of our father, the sins of our young, no

And when I close my eyes tonight
To symphonies of blinding light

God save us everyone
When we burn inside the fires of a thousand suns, oh

Like memories in cold decay
Transmissions echoing away
Far from the world of you and I
Where oceans bleed into the sky

Like memories in cold decay

Transmissions echoing away
Far from the world of you and I
Where oceans bleed into the sky

Lift me up, let me go
Lift me up, let me go
Lift me up, let me go
Lift me up, let me go

Lift me up, let me go
Lift me up, let me go
Lift me up, let me go
Lift me up, let me go

Lift me up, let me go
Lift me up, let me go
(And it can't be out fought, it can't be outdone)
(It can't outmatched, it can't be outrun, no)
Lift me up, let me go

God bless us everyone
We're a broken people living under loaded gun
And it can't be out fought, it can't be outdone
It can't outmatched, it can't be outrun, no

Lift me up, let me go
(God bless us everyone)
(We're a broken people living under loaded gun)
Lift me up, let me go
(And it can't be out fought, it can't be outdone)
(It can't outmatched, it can't be outrun, no)
