[KRS-One]

Where the real at!

Where the real at!

Yeah!

[KRS-one]

Yo

Where I come from gats bust for nothin'

Thugs, ministers, cops, teachers, all be hustlin'

Your family's the only one ya trustin'

Clubs be jumpin', redesigned cars be bumpin'

Now there's ranks supreme KRS is a free man

In Hip-Hop culture, I'm like Allen Greenspan

I tell the culture what's hot and what's not

Now look who's on top and look whose shit just  
dropped

We ain't about sellin' records, we ain't music  
merchants

We emcees we go straight to the club and hurt shit

[Hook]

[KRS-One]

Down to the spot this is real Hip-Hop

Join this movement; them other cats steal a lot

You can feel the knowledge of self or feel this glock

I'm authentic, KRS I'm really hot

Yo, what up Fat Joe that's my nigga for life

Remember when Pun fell off the stage, right on my wife

In the Bronx, we all laugh about it today

What up Freddie Fox, 2 Glocks, Pik and Spay

Dr.Dre all day, both of them

Dr.Dre with Ed Lover and the one with Eminem

This a movement, all over the world we reach  
I can prove it, all over the world I teach  
You hear that Dr.King, "I Have A Dream" speech a lot  
But no where is it manifested but in Hip-Hop  
While them other cats be lookin' for a radio song  
I'm in Washington Heights, puttin' them Dominicans on  
You can feel it I'm strong, I last longer lets do it  
You want the real Hip-Hop well join this movement  
We ain't about sellin' records, we ain't music  
merchants  
We emcees we go to the club and straight hurt shit

[Hook]
