"Too Late"

It's cold and dark, I think I'm going insane
The end is coming, it's true
I'm all alone and I'am screaming your name
It seems all I can do

But it's too late to turn back now
It's too loud to hear the sound
I'm so lost I can't be found
It's too late to turn back now

It's hard to focus when your life is a blur
It's hard to see the truth
How can I move on when there's so much to learn
And every road comes back to you

But it's too late to turn back now
It's too loud to hear the sound
I'm so lost I can't be found
It's too late to turn back now

But it's too late to turn back now
It's too loud to hear the sound
I'am so lost I can't be found
It's too late to turn back now

I'm so lost I can't be found
It's too late to turn back now
