In this farewell

There's no blood

There's no alibi

Coz I've drawn regret

From the truth

Of thousand lies

So let mercy come

And wash away

[Chorus]

What I've done

I face myself

To cross-out what I've become

Erase myself

And let go of what I've done

Put to rest

What you've thought of me

Well I clean this slate

With the hands of uncertainty

So let mercy come

And wash away

[Chorus]

What I've done
I face myself
To cross-out what I've become
Erase myself
And let go of what I've done
For what I've done
I start again
And whatever pain may come
Today this ends
I'm forgiving what I've...
Done
I face myself
To cross-out what I've become
Erase myself
And let go of what I've done
What I've done
(Na, Na, Na)
What I've done
(Na, Na, Na)
Forgiving what I've done
(Na, Na, Na)
