"Where I Belong"

Visit "[Where I Belong](#)" on MotoLyrics.com

When this began
I had nothing to say and I'd get lost in the nothingness
inside of me
(I was confused)
And I let it all out to find that I'm not the only person with
these things in mind
(Inside of me)
But all the vacancies the words revealed is the only real
thing I've got left to feel
(Nothing to lose)
Just stuck hollowing alone
And the fault is my own, and the fault is my own

(Chorus)
I wanna heal
I wanna feel
What I thought was never rear
I wanna let go of the pain I've felt so long
(Erase all the pains and it's gone)
I wanna heal
I wanna feel
Like I'm close to something real
I wanna find something I've wanted all along
Somewhere I Belong

And I've got nothing to say
I can't believe I didn't fall right down on my face
(I was confused)
Looking everywhere only to find
It's not the way I had imagined it
All in my mind
(So what am I)
So what do I have but negativity
Cause I can't justify the way everyone is looking at me
(Nothing to lose)
Nothing to gain
Hollowing alone
The fault is my own, and the fault is my own

Chorus

I will never know myself
Until I do this on my own
And I will never feel anything else
Until my bones are healed
I will never be anything
Until I break away from me
I will break away
And find myself today

Chorus x2
