[Chorus - Holly Brook/Jonah Matranga]

Where'd you go? I miss you so,
Seems like it's been forever,
That you've been gone.
Please come back home.

[Verse 1 - Mike]

She said;
"Some days I feel like shit, some days I wanna quit,
And just be normal for a bit,
I don't understand why you have to always be gone,
I get along but the trips always feel so long, and,
I find myself tryin' to stay by the phone,
'Cause your voice always helps me and I feel not so alone,
But I feel like an idiot, working my day around a call,
That when I pick up I don't have much to say, so,
I want you to know it's a little fucked up,
That I'm stuck here waiting,
At times debating, telling you I've had it with you and your career,
Me and the rest of the family here singing "where'd you go?"."

[Chorus - Holly Brook/Jonah Matranga]

Where'd you go? I miss you so,
Seems like it's been forever,
That you've been gone.
Where'd you go? I miss you so,
Seems like it's been forever,
That you've been gone.
Please come back home.

[Verse 2 - Mike]

Come back home, you know that place where you used to live?,
Used to barbeque up burgers and ribs,
Used to have a little party every Halloween with candy by the pile,
But now you only stop by every once in a while.

(Shit) I find myself just filling my time,
With anything to keep the thought of you from my mind,
I'm doing fine, and I'm planning to keep it that way,
And you can call me if you find that you have something to say,
And I'll tell you;
"I want you to know it's a little fucked up,
That I'm stuck here waiting,
At times debating, telling you that I've had it with you and your career.
Me and the rest of the family here singing "where'd you go?!"

[Chorus - Holly Brook/Jonah Matranga]

Where'd you go? I miss you so,
Seems like it's been forever,
That you've been gone.
Where'd you go? I miss you so,
Seems like it's been forever,
That you've been gone.
Please come back home.

[Bridge - Mike]

I want you know it's a little fucked up,
That I'm stuck here waiting,
No longer debating,
Tired of sitting and hating and making these excuses,
For why you're not around, and feeling so useless,
It seems one thing has been true all along,
You don't really know what you've got 'til it's gone,
I guess I've had it with you and your career,
When you come back I won't be here,
And you can sing it.

[Chorus - Holly Brook/Jonah Matranga]

Where'd you go? I miss you so,
Seems like it's been forever,
That you've been gone.
Where'd you go? I miss you so,
Seems like it's been forever,
That you've been gone.
Please come back home. (x5)
