"Wisdom Justice And Love"

I come to this magnificent house of worship tonight,
Because my conscience leaves me no other choice.
A true revolution of values will lay hands on the world
order and say of war:
This way of settling difference is not just.
This business of burning human beings with napalm,
Filling our nation's homes with orphans and widows,

Of injecting poisonous drugs of hate into veins of
people normally humane.
Of sending men home from the dark and bloody
battlefields physically handicapped and
psychologically deranged,
Cannot be reconciled with wisdom, justice and love.
(x6)

Dr. Martin Luther King Jr.
