I woke up in a dream today
To the cold of the static / and put my cold feet on the
floor
Forgot all about yesterday
Remembering Im pretending to be where Im not
anymore
A little taste of hypocrisy
And Im left in the wake of the mistake / slow to react
Even though youre so close to me
Youre still so distant / And I cant bring you back
Its true / the way I feel
Was promised by your face
The sound of your voice
Painted on my memories
Even if youre not with me
Im with you
You / Now I see/ keeping everything inside
You / Now I see / Even when I close my eyes
I hit you and you hit me back
We fall to the floor / the rest of the day stands still
Fine line between this and that
When things go wrong I pretend the past isnt real
Now I'm trapped in this memory
And Im left in the wake of the mistake / slow to react
Even though youre close to me
Youre still so distant / And I cant bring you back
no
No matter how far we've come
I can't wait to see tomorrow With you
