I woke up in a dream today
To the cold of the static
And put my cold feet on the floor
Forgot all about yesterday
Remembering I'm pretending
To be where I'm not anymore

A little taste of hypocrisy
And I'm left in the wake
Of the mistake slow to react
Even though you're so close to me
You're still so distant
And I can't bring you back

It's true the way I feel
Was promised by your face
The sound of your voice
Painted on my memories
Even if you're not with me

(I'm with you)
You now I see
Keeping everything inside
(With you)
You now I see
Even when I close my eyes

I hit you and you hit me back
We fall to the floor
The rest of the day stands still
Fine line between this and that
When things go wrong
I pretend the past isn't real

Now I'm trapped in this memory
And I'm left in the wake
Of the mistake slow to react
So even though you're close to me

You're still so distant
And I can't bring you back

It's true the way I feel
Was promised by your face
The sound of your voice
Painted on my memories
Even if you're not with me

(I'm with you)
You now I see
Keeping everything inside
(With you)
You now I see
Even when I close my eyes

(With you)
You now I see
Keeping everything inside
(With you)
You now I see
Even when I close my eyes

No, no matter how far we've come
I can't wait to see tomorrow
No matter how far we've come
I, I cant wait to see tomorrow

(With you)
You now I see
Keeping everything inside
(With you)
You now I see
Even when I close my eyes

(With you)
You now I see
Keeping everything inside
(With you)
You now I see
Even when I close my eyes
