A poem with no rhyme  
A clock without time  
A ship without sails  
Just drifting on the water

That's just how I feel  
Whenever she's gone  
That's just how I feel  
My life's unreal but I  
Go on and on and on

[CHORUS]

I wait 'til Julie comes around and  
Sings a happy song of summer  
(Julie comes around)  
And lifts my spirit up and  
Fills my foolish mind with wonder  
(Julie comes around)  
She smiles a gentle smile  
And suddenly I get that feeling  
And then I'm inside out with love  
Cause Julie's come around again

She's just like a bird  
She follows the sun  
She spreads out her wings  
And once again, she leaves me

It's always the same  
I'm broken in two  
But after a while, I always  
Know what I must do

[Repeat CHORUS]

When Julie comes around and  
Sings her happy song of summer  
(Julie comes around)  
And lifts my spirit up and  
Fills my foolish mind with wonder  
(Julie comes around)
