I think that you should know
What's over your face
And three weeks in a row is too much
Why come to this place
Maybe it's time to go
I'm looking afraid
And it's tiring putting a show on every night
Why should it be turning me off
It's insane that it's making me strong
I won't go out tonight
Can't be bothered
To stumble around in my dangerous shoes
I won't go out tonight
Can't be bothered
To stumble in dangerous shoes
Dangerous shoes
I think that you should know
Maybe it's time to go
Why should it be turning me off
It's insane that it's make me strong
I won't go out tonight
Can't be bothered
To stumble around in my dangerous shoes
I won't go out tonight
Can't be bothered
To stumble in dangerous shoes
Dangerous shoes

I think that you should know
What's over your face
And three weeks in a row is too much
Why come to this place
Maybe it's time to go
I'm looking afraid
And it's tiring putting a show on every night
Why should it be turning me off
It's insane that it's turning me on
I won't go out tonight
Can't be bothered
To stumble around in my dangerous shoes
I won't go out tonight
Can't be bothered

To stumble in dangerous shoes
Dangerous shoes
I won't go out tonight
Can't be bothered to
I won't go out tonight
I'll be avoiding you
I won't go out tonight
Can't be bothered
To stumble around in my dangerous shoes
