You nuh see how de clou' them jus' came sit upon me
dream

Came sit upon me dream like a dark silk screen
A dark silk screen over de vision I had seen
Vision I had seen, the vision I had seen

So me say that Walter Radni was a victim of hate
Someone say that him gone thru heaven's gate
Someone that Walter Radni shouldn't tek up his true
weight
An' go carry 'pon 'im back like 'im de weary man a rock

But look how de clou' dem jus' came sat upon me
dream
Came sit upon me dream like a shout or a scream
A shout or a scream or a really ugly scene
That awake me from the dream an' alert me to the
scheme

So me say that Walter Radni was a prisoner of fate
Someone say that him gone thru de hero's gate
Someone say that Walter Radni couldn't tek his true
weight
So 'im tek it off 'im back an' go pick it 'pon 'im lap
An' go fall in a trap, an' Sam Burnham get it drop

But look how me dream come jus' get blown to
smithereen
Came blown to smithereen ina de miggles of the dream
Miggles of the dream before de peeples dem come in
Peeples dem come in, the peeples dem come in

So me say that Walter Radni was no shark fi de sea
An' all that him did wan' was fi set 'im peeples free
Wi' de workers an' de peasan's him should a corporate
But like a fish to de hook, 'im go bite 'pon Burnham bait

You nuh see how me dream come jus' get blown to
smithereen
An' blown to smithereen ina de miggles of the dream
Miggles of the dream before de really crucial scene
The really crucial scene when the peeples dem come in
