I can see what's happening What?  
And they don't have a clue Who?  
They'll fall in love and here's the bottom line  
Our trio's down to two. Oh.

The sweet caress of twilight  
There's magic everywhere  
And with all this romantic atmosphere  
Disaster's in the air

Can you feel the love tonight  
The peace the evening brings  
The world for once in perfect harmony  
With all its living things

So many things to tell her  
But how to make her see  
The truth about my past, impossible  
She'd turn away from me

He's holding back, he's hiding  
But what, I can't decide  
Why won't he be the king I know he is?  
The king I see inside?

Can you feel the love tonight?  
The peace the evening brings  
The world, for once, in perfect harmony  
With all its living things

Can you feel the love tonight?  
You needn't look too far  
Stealing through the night's uncertainties  
Love is where they are

And if he feels the love tonight  
In the way I do

It's enough for this restless wanderer

Just to be with you
