I never knew love
A lover could be sweeter
No matter what my mind says
Your music gives me feeling
The moment that we danced
Your arms felt like a cradle
And when you took my hand
I was no longer evil
I never felt so right before
I need to be with you much more
I can't believe this kind of fate
We can runaway...

Is it love?
I'm always on a spell
Even when I'm sleeping
You're always on my mind
I hope that I'm not dreaming
If I am let me stay asleep
Don't wake me up I feel complete
I never want to feel it end
What a lovely moment
Is it love?
I wanna give you my love
All the time
I wanna make love to you
All the time
I wanna be right next to you
All the time
I wanna be in love with you
All the time
