I've been through so many changes in my life woman  
It's a wonder I ain't lost my mind  
And I ain't never said how much I need you sugar  
But I sho' need you by my side

( chorus )

My love, just thinking about you baby  
Just blows my mind  
My love, just thinking about you baby  
Just blows my mind all the time

Life with me I know for sure it ain't be easy  
But you stayed with me anyway  
And even though you ain't gonna lose too much by  
leaving  
I'm so glad you stayed

( repeat chorus )

You've been my friend and you've been my lover, oh  
loud  
Honey you're everything I need  
You've made my love so strong now I know where I  
belong  
Oh girl you'll never have to worry  
Oh baby any more, any more

( repeat chorus )
