"Party For Two"

With a bit of Daddy's money and advice from my dear
Mummy

We'll romance on our own, we'll have a party for two
If you please just R.S.V.P., I'd be oh so very happy
We can dance on our own, we'll have a party for two

We'll have a party for two, call it a party for two
We'll have a party for two, no one but me and you, me
and you
We'll have a party for two, woo ooo, call it a party for
two, woo ooo
We'll have a party for two, no one but me and you, me
and you

No need to invite the others, all their conversations
bore us
Take a chance on our own, we'll have a party for two
Save on caviar and cocktails, save on valet parking
men
We'll be just fine on our own, we'll have a party for two

We'll have a party for two, call it a party for two
We'll have a party for two, no one but me and you, me
and you

If our party starts to drag, if our night becomes the
dawn
There's no need to go home cause it's a party for two

We'll have a party for two, call it a party for two
We'll have a party for two, no one but me and you, me
and you
We'll have a party for two, woo ooo, call it a party for
two, woo ooo
We'll have a party for two, no one but me and you, me
and you
Me and you.
