Fatshe lesa lea halalela [The land of our ancestors is
holy]
Fatshe lesa lea halalela

Shadowland
The leaves have fallen
This shadowed land
This was our home

The river's dry
The ground has broken
So I must go
Now I must go

And where the journey may lead me
Let your prayers be my guide
I cannot stay here, my family
But I'll remember my pride

Prideland I have no choice
My land I will find my way
Tear-stained Lea halalela
Dry land
Take this Take this prayer
With you What lies out there
Fatshe lesa Lea halalela

And where the journey may lead you
Let this prayer be your guide
Though it may take you so far away
Always remember your pride

Fatshe lesa lea halalela
Fatshe lesa lea halalela Fatshe lesa lea halalela

And where the journey may lead you
Let this prayer be your guide
Though it may take you so far away
Always remember your pride

And where the journey may lead you Giza buyabo, giza

buyabo

Let this prayer be your guide I will return, I will return

Beso bo

Though it may take you so far away Giza buyabo, I will
return

Always remember your pride Giza buyabo, oh giza
buyabo

Beso bo, my people, beso bo
