Girl, tell me only this  
That I'll have your heart for always  
And you want me by your side  
Whispering the words I'll always love you

Bridge:  
And forever I will be your lover  
And I know if you really care  
I will always be there

Now I need to tell you this  
There's no other love like your love  
And I, as long as I live,  
I'll give you all the joy  
My heart and soul can give

Bridge:  
Let me hold you  
I need to have you near me  
And I feel with you in my arms  
This love will last forever

Chorus:  
Because I'm truly  
Truly in love with you girl  
I'm truly head over heels with your love  
I need you, and with your love I'm free  
And truly, you know you're alright with me
