"Never Surrender"

A lonely heart
Keeps me going strong
It gives me strength
When things are going all wrong

All my life
I've been searching for the sun
Now I'm deep in the night
I've got nowhere to run
But I'll never surrender
No, I'll never give it up
Without a fight

I made a vow
That I would never stop
To keep the faith
And take it right to the tar

All the way
That's the only way to go
Won't ever give up the fight
Cause I'd die just to show
That I'll never surrender
No, I'll never give it up
Without a fight
And I'll always remember
How it feels to have to
Bring your dreams alive

A lonely heart
Keeps me going strong
It gives me strength
When things are going all wrong

I'll never surrender
No, I'll never give it up
Without a fight
And I'll always remember
How it feels to have to
Bring your dreams alive

Never surrender

When your back's against the wall
Never surrender
When you feel you lost it all
Never surrender
When you've got no place to go
