Ingonyama nengw' enamabala

Night and the spirit of life calling mamela  
And a voice with the fear of a child answers mamela

Ubu khosi bo khokho[This is the throne of our  
ancestors]

We ndodana ye sizwe sonke[Oh, son of the nation)]

Wait, there's no mountain too great  
Hear the words and have faith  
Have faith

He lives in you  
He lives in me

He watches over  
Everything we see  
Into the water  
Into the truth  
In your reflection  
He lives in you

He lives in you  
He lives in me  
He watches over  
Everything we see  
Into the water  
Into the truth  
In your reflection  
He lives in you

He lives in you  
He lives in you  
He lives in you  
He lives in you

He lives in you

He lives in me

He watches over  
Everything we see  
Into the water  
Into the truth  
In your reflection  
He lives in you

He lives in you  
He lives in me  
He watches over  
Everything we see  
Into the water  
Into the truth  
In your reflection  
He lives in you
