In a perfect world  
One we've never known  
We would never need  
To face the world alone  
They can have the world  
We'll create our own  
I may not be brave or strong or smart  
But somewhere in my secret heart I know

Love will find a way  
Anywhere I go  
I'm home, if you are there beside me  
Like dark turning into day  
Somehow we'll come through  
Now that I've found you  
Love will find a way

I was so afraid  
Now I realize  
Love is never wrong  
And so it never dies  
There's a perfect world  
Shining in your eyes

And if only they could feel it too  
The happiness I feel with you they'll know

Love will find a way  
Anywhere we go  
We're home  
If we are there together  
Like dark turning into day  
Somehow we'll come through  
Now that I've found you  
Love will find a way  
I know  
Love will find a way
