Night  
And the spirit of life calling  
Mamela  
And a voice  
With the fear of a child asking  
Mamela

Wait  
There's no mountain too great  
Hear these words and have faith  
Have faith

They live in you  
They live in me  
They're watching over  
Everything we see  
In every creature  
In every star  
In your reflection  
They live in you

They live in you  
They live in me  
They're watching over  
Everything we see  
In every creature  
In every star  
In your reflection  
They live in you
