Simba:

As you go through life you'll see  
There is so much that we  
Don't understand

And the only thing we know  
Is that things don't always go  
The way we planned

But you'll see everyday  
That we'll never turn away  
When it seems all your dreams come undone

We will stand by your side  
Filled with hope and filled with pride  
We are more than we are  
We are one

Kiara:

If theres so much I must be  
Can't I still just be me  
The way i am?

Can I trust in my own heart  
Or am i just one part  
Of some big plan?

Simba:

Even those who are gone  
Are with us as we go on  
Your jouney has only begun

Tears of pain tears of joy  
One thing can destory  
Is our pride deep inside  
We are one

We are one you and I  
We are like earth and sky  
One family under the sun

All the wisdon to lead

All the cuurge that you need  
You will find when you see  
We are one
