listen as your day unfolds challenge what the future
holds try and keep your head up to the sky others they
may cause you tears go ahead release your fears
stand up and be counted dont be shamed to cry
CHORUS:

you gotta be , you gotta be bad you gotta be bold you
gotta be wiser you gotta be hard you gotta be tough
you gotta be stronger you gotta be cool you gotta be
calm you gotta stay together all i know all i know love
will save the day

ooh ooh ooh love will save the day
herald what your mother said read the books your
father read try to solve the puzzles in your own sweet
time some may have more cash than you others take a
different view my oh my hey hey hey

CHORUS:
you gotta be , you gotta be bad you gotta be bold you
gotta be wiser you gotta be hard you gotta be tough
you gotta be stronger you gotta be cool you gotta be
calm you gotta stay together
all i know all i know love will save the day

Time dont ask no questions it goes on without you
leaving you behind if you cant stand the pace
the world keeps on spinning you cant stop it if you try to
this time it's danger staring you right in the face
listen as your day unfolds challenge what the future
holds try and keep your head up to the sky others they
may cause you tears go ahead release your fears my
oh my hey hey hey

CHORUS:
you gotta be bad you gotta be bold you gotta be wiser
you gotta be hard you gotta be tough you gotta be
stronger all i know all i know love will save the day

CHORUS:
you gotta be bad you gotta be bold you gotta be wiser
you gotta be hard you gotta be tough you gotta be
stronger you gotta be cool you gotta be calm you gotta
stay together
