Press telling lies, Always twisting Facts  
A way I despise, ruled by the politically correct  
Portraying us like Scum, Their idea of fun?  
People believing Lies, How can they be so dumb?

[Chorus:]

Press telling lies, Always twisting Facts  
A way I despise...  
TV News to brainwash the masses, Propaganda never fails  
Even complex clashes presented like Fairytales  
Good versus bad, as if Life was Black or White  
In fact all very sad, Hearing only One Side

[Chorus:]

Press telling lies, Always twisting Facts  
A way I despise, Lies! Lies! Lies! Lies!  
Insulting our intelligence, offering twisted truth  
This all makes no Sense, But Lies do go down smooth,  
Justifying bombings, civilians under attack  
World Leaders as Big Brother, victims can't fight back  
Press telling lies, Always twisting Facts  
A way I despise...  
All in the name of democracy, small countries without a choice  
Prefer to call it lunacy, they can always send down "the boys"  
Who are you to judge? If Independence is our strife  
Is freedom asked too much? When we fight for our Rights?

Press telling lies, Always twisting Facts  
A way I despise, LIES! LIES! LIES! LIES!
