Oh, I've been standin' underneath
A dark old cloud now
Waitin' for the sun to shine
Waitin' for the sun to shine
On my heart again

Oh, I've been standin' underneath
A dark old cloud now
Waitin' for the sun to shine
Waitin' for the sun to shine
On my heart again

Oh, I've been throwin'
A lot of good love away now
Waitin' for the sun to shine
Waitin' for the sun to shine
On my heart again

Oh, I've been throwin'
A lot of good love away now
Waitin' for the sun to shine
Waitin' for the sun to shine
On my heart again

Waitin' for the sun to shine
Waitin' for the sun to shine
On my heart again

Waitin' for the sun to shine
Waitin' for the sun to shine
On my heart again

Oh, I've been standin' underneath
A dark old cloud now
Waitin' for the sun to shine
Waitin' for the sun to shine
On my heart again

Oh, I've been standin' underneath
A dark old cloud now
Waitin' for the sun to shine
Waitin' for the sun to shine

On my heart again

Oh, I've been standin' underneath
A dark old cloud
