Let's escape tonight,
Find a place
That everything is peacel and quiet.
We can breathe
And laughs...
So close your eyes and drift in the night.

Well we've caught in the sunshine,
Watch the world go back.
Live outside and,
Stay up for hours in the night
Talking 'bout the life.
Lalalalalalala

Let's get away right now,
Find a place,
That everything is sunny and bright,
We can laugh out loud
Lie on the grass,
Gaze in the sky.

Well we've caught in the sunshine,
Watch the world go back.
Live outside and,
Stay up for hours in the night
Talking 'bout the life.
Lalalalalalala

Clouds passing by,
Will make love under the sky.
And the stars,
Dancing in front of our eyes.

So come away with me,
Come to a place,
That everything is simple and claire
We can j... all day,
Sit on a beach and listen to the waves.

Well we've caught in the sunshine,
Watch the world go back.
Live outside and,
Stay up for hours in the night
Talking 'bout the life.
