You promised me a life  
You promised me everything would change  
Even said you'd be my wife  
Ooh now you're gone

You told me I was handsome  
Even told me I was smart  
And I believed every word you said  
Ooh then you broke my heart

I don't know why I was  
so hard of hearing  
I only listened to what I wanted to  
I couldn't see what was  
goin' on around me  
You didn't need me  
But I needed you  
Ooh ooh

Now everything has changed  
The tables have been turned on me  
It's all been rearranged  
Like the setting sun  
Ooh now you're gone

I don't know why I was  
so hard of hearing  
I only listened to what I wanted to  
I couldn't see what was  
goin' on around me  
You didn't need me  
But I needed you  
Ooh ooh

Now I'm sittin' in the dark place  
I got murder on my mind  
Say goodbye to the rat race  
No more setting sun  
'Cause soon I'll be gone
